Community Profile**

The City of Roosevelt Park is a community of 3,831 citizens within Muskegon County, approximately two miles from the beautiful shores of Lake Michigan. The City is a residential community of one square mile which includes a significant commercial corridor consisting of over 160 businesses along with an excellent school system. While recent years has seen a significant growth in both the residential housing prices and commercial district, the City of Roosevelt Park continues its history of offering a unique residential experience in the heart of the larger Muskegon area community.

Throughout the last nearly seventy-five years, The City of Roosevelt Park's police force has continued to be one of the city's strongest assets and is one of many reasons why residents enjoy living in our small and close-knit community.

While the Roosevelt Park Police Department oversees all law enforcement services within the City's one square mile, being part of the larger Muskegon metropolitan area allows for unique police and operational opportunities. The City is currently an operational member of the Muskegon County Emergency Response Team, coordinates and assists in community fundraisers and events, and is active in working with surrounding jurisdictions.

The City of Roosevelt Park has a 7-member City Council with a \$5.5 Million budget (FY 2021), 11 full-time and 12 part-time employees, including a full-service police department and public works department. The City also maintains a Downtown Development Authority and is very active with intergovernmental relationships.

The current makeup of the Roosevelt Park Police Department is that of a full-service department which includes four full-time patrol officers, a full-time Police Chief, and multiple part-time officers. The currently open full-time position was created for the upcoming 2021 Fiscal Year and will be complemented by the additional hiring of multiple part-time employees. The newly created full-time position is subject to a current collective bargaining agreement that expires in November of 2023. The Roosevelt Park Police Department and its officers are fortunate to have strong support from the community it serves including the elected officials, residents, and businesses. Both the full-time and part-time positions are open until filled and are scheduled to be funded on December 1st of 2020.
